START:

EXT. ViRUTE BAY - DAY

Establishing shot. Various ViRUSES are marching.

INT. QUEEN ViRUS's CASTLE

A trio of ViRUSES are fighting over a CRiTORA doll, trying to delete it. QUEEN ViRUS shows up. The ViRUSES stop arguing.

QUEEN VIRUS (O.S.)
(angry)
Silence!

Medium shot of Queen ViRUS looking at the ViRUSES.

QUEEN VIRUS
If we're gonna take over CRiTOPiA and expand the ViRUTE BAY, you three are gonna have to work together and not argue like a bunch of toddlers!

The ViRUSES just stare. They begin to argue again.

QUEEN ViRUS
(annoyed, but somewhat calm)
(signs, takes out a whistle) Here goes nothing.

The ViRUSES continue to argue, VIRAL PUP shows up, summoned by Queen ViRUS' whistle.

VIRAL PUP
(angry)
(growls) Stop!

The ViRUSES stop arguing.

VIRAL PUP
(angry)
Thought so!

Medium shot of Queen ViRUS

QUEEN ViRUS
(angry)
I'm sending you three on a mission to infect at least **ONE** CRiTORA! I repeat, **ONE** CRiTORA! You better not screw this up or I'll banish you to hell!

Now nervous, the ViRUSES agree with their queen.

QUEEN ViRUS
(delighted)
Excellent! (beat, then suddenly turns angry) Now get out there and infect those virtual pests!

The ViRUSES run off.

EXT. MEETUP DISTRICT PARK
EGGY, SPOTTIE, CONEBOY, AVERY, BUNSEN, NUZZIE, and BIG G are together at a table, socializing.

SPOTTIE
(excited)
So, yesterday Eggy showed Avery, Dashie and I his robot CRiTORA he’s making!

CONEBOY
(surprised)
Woah! He’s making a robot?

AVERY
(excited)
That’s right! I saw it with my eyes!

Eggy smiles.

BUNSEN
(excited)
Eggy’s becoming the new OS!

NUZZIE
(calm)
I wonder when it’ll be completed.

BIG G
I bet it’ll be finished soon.

Elsewhere, the ViRUS trio have arrived and look around.

Back to the main characters. Eggy is heading home.

AVERY
(curious)
Hey, Eggy, where are ya going?

SPOTTIE
I think Eggy's going home to check on his robot, Avery.

As Eggy is walking home, the ViRUSES are watching him, planning to surprise attack him.

INT. EGGY'S HOUSE
Eggy arrives home. He checks on his robot and sprays it with some DiSiNFECTiON spray. Suddenly, his door is deleted. He turns around and to his horror, the ViRUSES have shown up. Eggy prepares to defend himself by turning red with rage, but the ViRUS trio swarms him and infects him, turning him into V-EGGY.

EXT. MEETUP DISTRICT PARK
The other main characters are waiting for Eggy.

BUNSEN
(check his watch)
What's taking Eggy so long?

CONEBOY
I dunno.

BIG G
(looking through binoculars, pulls them down, and looks disturbed)
Uh, friends?

NUZZIE
(concerned)
Yes?

BIG G
Something may be going on at Eggy's house...

AVERY
(somewhat nervous)
Something? You mean something **BAD?**

SPOTTIE
I think we should investigate and see for ourselves.

The six CRiTORA arrive near Eggy's house. Coneboy looks very nervous.

CONEBOY
(nervous)
Uh, I don't feel safe here!

AVERY
(concerned for Coneboy)
Why?

NUZZIE
Something tells me a ViRUS is here…

BUNSEN
(horrified)
A WHAT IS HERE!?

SPOTTIE
(calm, not realizing V-Eggy is walking up to her)
Look, if we remain calm, we'll find Eggy and continue socializing. (sees V-Eggy) Oh, there he is, infected. (becomes very scared) **HE'S INFECTED!** (runs off, screaming)

The other five main characters look scared.

BUNSEN
(scared)
Run?

AVERY, CONEBOY, NUZZIE
(scared)
YES, RUN!

Coneboy, Avery, Bunsen, and Nuzzie run away screaming. Big G is about to run away, but is having a slow start.

BIG G
I'm coming!

V-Eggy touches Big G, infecting him and turning him into V-Big G.

The five CRiTORA are hiding behind bushes.

CONEBOY
(nervous)
How do we return Eggy back to normal?

SPOTTIE
(nervous)
I think we have to spray him with DiSiNFECTiON Spray!

AVERY
(somewhat nervous)
I think he has a bottle of it in his house!

BUNSEN
(nervous)
I heard it deletes ViRUSES too!

The ViRUS trio shows up next to Bunsen, who he quickly notices. The ViRUSES infect him, turning him into V-Bunsen. The four CRiTORA run away.

BUNSEN
(screams)

NUZZIE
(scared, running away)
NO, MY BROTHER!

As the four CRiTORA run away, V-Big G stops them by stomping the ground.

BIG G
(angry, infected)
Smash!

CONEBOY
(suddenly becoming brave, angry)
I'll take care of you, Big G! (gloves turn into boxing gloves)

NUZZIE
(wanting revenge, angry)
You ViRUSES are going to get beaten for infecting my brother!
(paws turn into huge boxing gloves)

Medium shot of Avery.

AVERY
(nervous)
Are you two crazy!? You'll never defeat Big G, especially when he's infected! (the ViRUSES swarm her) (screaming)

SPOTTIE
(scared)
(screaming) I'm getting that DiSiNFECTION Spray!

CONEBOY
(confident)
Alrighty! Nuzzie and I will- (becomes scared and screams as he sees V-Nuzzie) **NO!** (V-Nuzzie infects him)

Spottie is running to Eggy's house to get the DiSiNFECTiON Spray.

SPOTTIE
(nervous)
I gotta get that DiSiNFECTION Spray!

V-Coneboy and V-Bunsen show up. V-Bunsen ignites V-Coneboy's fuse. They chase after Spottie.

SPOTTIE
(scared)
HE'S GONNA BLOW!

V-Avery and V-Nuzzie begin to chase Spottie as well, with V-Avery getting very close to Spottie.

SPOTTIE
(scared)
OH MY SPANGLERS! (gasps) There's Eggy's house!

INT. EGGY'S HOUSE
Spottie enters inside Eggy's house and pushes Eggy's bed to prevent the others from entering. Spottie finds the spray.

SPOTTIE
(delighted)
There it is!

V-Eggy shows up.

SPOTTIE
(confident)
I’m ready to disinfect you!

Spottie sprays Eggy with the DiSiNFECTiON Spray, returning him back to normal. Eggy looks happy.

SPOTTIE
Now we gotta disinfect the others!

EXT. MEETUP DISTRICT PARK
The other V-CRiTORA are waiting. V-Big G shows up.

BIG G
(annoyed, infected)
Why are you four just standing?

The five CRiTORA are sprayed and returned back to normal.

CONEBOY, AVERY, BUNSEN, NUZZIE, and BIG G
(in unison, happy to be normal again)
Yay!

SPOTTIE
(walking out of Eggy’s house with Eggy)
I’m glad I saved you all.

AVERY
(happy to see Eggy normal)
Eggy, you’re back!

CONEBOY
(excited)
I think it’s time for us to hang out again!

BUNSEN
(happy)
Yay!

The main characters are walking away.

NUZZIE (O.S.)
(concerned)

Is Eggy’s robot fine?

SPOTTIE (O.S.)
(calm)
Don’t worry, I made sure it didn’t get destroyed!

BIG G (O.S.)
Good!

Fade to:
EXT. QUEEN ViRUS’ CASTLE

QUEEN VIRUS (O.S.)
(angry)
Are you kidding me!? They got disinfected!?

INT. QUEEN VIRUS’ CASTLE
Queen ViRUS and ViRAL Pup are angry at the ViRUS trio, who are nervous.

QUEEN VIRUS
(angry)
Next time, delete the DiSiNFECTiON Spray, then infect them!

ViRAL Pup
(correction the queen)
There is no next time, Queen!

QUEEN ViRUS
Oh.

A rope appears, and Queen ViRUS pulls it. The ViRUSES fall down the holes, falling to their deletion.

QUEEN ViRUS
(annoyed)
I gotta come up with a better plan next time to take over CRiTOPiA!

VIRAL PUP
(confident)
We’ll think of one eventually…

QUEEN VIRUS
(confident)
Yeah! Let’s go to the planning room.

Queen ViRUS and ViRAL Pup march away.
